Hey **Woman Entrepreneur** and **Aspiring Woman Entrepreneur**,

Nyayo Moms Sokos designed this business training program just for you because we believe in you and your business. We know the burning passion that's inside of you and we know how hard you work to generate income for your business and make it successful. We would like to equip you with the relevant knowledge, business skills and network that will enable you grow your business revenue, unlock more opportunities, unlock a wider market and prepare your business to access financial services and products that are available for your business.

Scan the link on the above and sign up for our interactive and practical sessions that start in **February 2024** we have a flexi payment plan designed just for you, this allows you enough time to plan and plug in. What do you get from joining our program?

- 🕒 Weekly online learning sessions for 2 hours
- 📖 Access to our practical and fun Entrepreneur play book
- 👤 Access to a dedicated mentor
- 🌐 A full year subscription to our business community and market place
- 🤝 Curated business linkages and networking opportunities
- 📈 Curated financial linkages
- 👥 Peer to peer learning
- 🎓 A graduation to celebrate you at the finishing mark
- 📜 A certificate to mark your commitment to the course
